Dave/Curtis: take a look at my revision. Feel free to share comments this afternoon. I'd like to have this letter agreeable to CNSL, OPA, and the program by Tues COB.

Subject: MO AG letter update

Karl,

David and I worked on the letter yesterday. Regarding the leachate issue, there is a MDNR call today so we're awaiting that conversation before finishing up the letter. We do have an initial draft if you would like to preview it and assess if we're going in the right direction.
